

Pre Loved Items

If your child has outgrown their uniform or shoes, you can hand them in to our Preloved shop. We accept all Le Petit Ballet uniforms and shoes in excellent condition (no stockings or socks). If your items are showing signs of wear, they are gratefully accepted on a donation basis.

Here's a quick checklist:

- Items are the trusted Bloch brand, ensuring quality and uniformity.
- Fabric or leather is in good condition.
- For clothing items, please wash before handing in.
- For shoes, check that elastic straps and strings are intact and in good condition, and that the sole still has grip.

Remember to pack each item individually in a bag, with your child's name and size clearly written. If in Pre Loved condition, once items find a new home, we credit your account \$10. If accepted as donation, you will help a little dancer start/continue their dance journey.
